The screenshot shows the TecAlliance website interface. At the top, there is a search bar, a language selector (UK flag), and a 'Service/Help' dropdown. Below the search bar are icons for a heart, 'My account', and a shopping cart with '€0.00 *'. The main header features the TecAlliance logo and a 'TecDoc Web' button. A prominent blue banner contains the text 'Register now **here** to get access to the detailed description of our solutions and to see your individual price conditions.', with the word 'here' highlighted in a red box. On the left, a sidebar lists navigation options under 'Information', including 'About us', 'My account', 'Help / Support', 'Contact', 'Newsletter', 'Payment / Dispatch', 'Privacy', 'TecAlliance General Terms and Conditions', 'Legal Notice', and 'FAQ'. The main content area is titled 'TecDoc Web' and includes a sub-heading 'TecDoc Web- Choose your personal data selection'. Below this, there is a paragraph describing the catalogue and a section titled 'Why should I choose TecDoc?' with a paragraph of text. At the bottom, a process flow diagram titled 'Your personal data selection - made easy' consists of six steps: 1. Log-in to access product prices (lock icon), 2. Choose your data package (laptop icon), 3. Enter the number of users (group of people icon), 4. Pay simply and secure online (wallet icon), 5. Receive your login details (document icon), and 6. For any questions, contact our support service (support icon).

TecDoc Catalogue

TecDoc Web- Choose your personal data selection

TecDoc Web - is the web-based spare parts catalogue containing vehicle and product information from around the world. Our catalogue provides workshop professionals with comprehensive vehicle identification information and the appropriate selection of vehicle spare parts. Maintenance information and additional convenience functions, including VIN filters and a graphic search, complete the contents of the catalogue.

Why should I choose TecDoc?

The answer lies in our many years of experience in data management and our unique expertise in the free spare parts market. This combination contributes to the consistent development of our data standard and puts the company in the leading market position.
